School Mission and Goals

As a Kids at Hope School we believe that all students can succeed, no exceptions. Everything we do through the day is filtered through this belief system. We believe if we can give students a hope for the future it is half of the skills they will need to be successful. The other part of their success comes from rigorous instruction. We want to challenge students to be the best they can be academically. The school implements best practices from research. Our mission is: Learning Together, Inspire

We are a K-8 school. We have a very high expectation for behavior on our campus. Desert Horizon is a Boys Town School. Part of our curriculum is to teach students skills they will need for life. These social skills are taught daily. They are embedded into instruction. All teachers have been trained in Boys Town. We have on site consultants who provide feedback to the teachers on implementation. On going progressional development is also provided to our staff.
